# EXPLANATION, TERMS & CONDITIONS

## One-of-a-Kind Orders

Under certain circumstances, we can accommodate the request of niche clientele to create an embroidery art that is uniquely - and exclusively - theirs. This is a specialized order process that requires communication and input from the client. Orders are undertaken on a case-by-case basis.

Some clientele have a special picture of their home, their boat, a pet, or some scene that evokes an emotion that needs to be memorialized in art. This lighthouse on Marble Head Peninsula on the Southern shores of Lake Erie is an example of one embroidery painting that was commissioned by World Threads for that sort of special image.

## What We Need from You

We need a good quality 8 x 10-inch printed photograph and a digitized image in JPEG format (if available) on CD. The photo and the image should be mailed to World Threads, 101 S. Main Street, New Carlisle, Ohio 45344.

World Threads and its commissioned artists reserve the right to refuse any request. If we decide that an image cannot be properly rendered in thread, it will not satisfy the client.

## Price

We charge US\$600.00 (excluding shipping) for unframed custom embroidery. You may pay by credit card through our web site ([www.worldthreads.com](http://www.worldthreads.com)), or send a personal check, certified check or money order payable to World Threads at 101 S. Main, New Carlisle, Ohio 45344

## Refunds and Exchanges

Refunds or exchanges are not available on custom orders. These items are created upon the basis of each clientele's subjective needs, and naturally no other client would want that item.

## Time for Completion and Delivery

Because this type of art is painstakingly handcrafted, delivery will be at least four months from the date of the completion of the order. We may be able to deliver slightly earlier depending on the length of time it takes the artist to render the item and deliver it to us.

**Size**

Unframed, embroidery paintings will be approximately 19½ inches (46.5 cm) x 13¾ inches (35 cm).

**Framing**

We do not frame custom ordered embroidery paintings. This is our clientele's picture, and each client has his or her own ideas about the presentation of their artwork and display as a home décor item. The piece will, however, be stretched on a poster board ready for framing. To ensure a long life for your embroidery painting, please be certain to use non-acidic matting, frames.

**What We Will Not Undertake**

World Threads will not undertake portraits or pictures of families or children. Rendering satisfactory facial features in thread is almost impossible and client satisfaction with respect to these images is too subjective for World Threads' artists to undertake. We will also not undertake any derogatory image that denigrates others.
